

Who is Your Star of Advocacy?

The ongoing and vital work being done by you and other CCCC member organizations would not be possible were it not for the dedicated individuals who give freely of their time, talent, and resources to improve the lives of others. By sharing their personal stories of hope and despair within a challenging healthcare system, these individuals serve, educate, and empower others.

The California Chronic Care Coalition, Stars of Advocacy Gala celebrates these outstanding heroes of advocacy and ensures the vital work by all to improve health care for California's consumers with chronic diseases continues.

Help us recognize your organization's 2024 Star of Advocacy.

Each member organization is invited to nominate one Star of Advocacy to be recognized at our 2024 Stars of Advocacy Gala. There is no fee required to nominate your star and no charge for your Star to attend the Gala.. *However, Stars must be present to receive their awards.* We encourage you to have your organization represented to support them. Ticket and table purchase are available separately.

Nominate your Star of Advocacy Today! **Nominations will close on February 29, 2024. Please include a photo!**
